EDITOR'S LAST WORD – "It begins with a prince kissing an angel. It ends with a bald headed man looking across the table at a fat woman"

Why do men die first?

This is a question that has gone unanswered for centuries, but, now we know.

It requires a bit of explanation, first:

If you put a woman on a pedestal and try to protect her from the rat race ... you're a male chauvinist.

If you stay home and do the housework.... you're a pansy.

If you work too hard... there's never any time for her. If you don't work enough you're a good-for-nothing bum.

If she has a boring repetitive job with low pay..... this is exploitation. If you have a boring repetitive job with low pay you should get off your lazy behind and find something better.

If you get a promotion ahead of her ... that is favouritism. If she gets a job ahead of you..... it's equal opportunity.

If you mention how nice she looks ... its sexual harassment. If you keep quiet its male

indifference.

If you cry ... you're a wimp. If you don't you're an insensitive bastard.

If you make a decision without consulting her you're a chauvinist. If she makes a decision without consulting you, she's a liberated woman.

If you ask her to do something she doesn't enjoy ... that's domination. If SHE asks you.... it's a favour.

If you appreciate the female form and frilly underwear ... you're a pervert. If you don't.... you're gay.

If you like a woman to shave her legs and keep in shape... you're sexist. If you don't ... you're unromantic.

If you try to keep yourself in shape you're vain. If you don't . . . you're a slob.

If you buy her flowers ... you're after something. If you don'tyou're not thoughtful.

If you're proud of your achievementsyou're full of yourself. If you don't ... you're not ambitious.

If she has a headache ... she's tired. If you have a headache you don't love her anymore.

If you want it too often.... you're oversexed. If you don't ... there must be someone else.

Why do men die first?

Because they want to.....

Friendship among Women:

A woman didn't come home one night. The next morning she told her husband that she had slept over at a friend's house. The man called his wife's 10 best friends. None of them knew anything about it.

Friendship among Men:

A man didn't come home one night. The next morning he told his wife that he had slept over at a friend's house. The woman called her husband's 10 best friends. Eight confirmed that he had slept over, and two said he was still there...
